FEATURES & OPTIONS

Vehicle Description

This 2010 Subaru Legacy Limited came in on trade the week before Christmas. We were off until January 3rd so we are listing it now. This was owned by the same family since new. The interior of the car is beautiful. It is a non smoker with heated leather seats, moon-roof, power everything. The exterior has a few marks as one would expect. This is a good looking, great running, AWD vehicle. Give us a call we can also help with financing. Thank you.
